

CLS Fall 2008 MEAP Scores

MEAP scores for Fall 2008 were released to schools in early February, and Parent Reports (individual student results) were sent home at that time.

MEAP recently announced its official public release date to the media as April 2, 2009.

The State reports MEAP scores in terms of four levels: 1 = Advanced; 2 = Proficient; 3 = Partially Proficient; and 4 = Not Proficient. CLS did not have any students score below a level 3, and most of our students scored at levels 1 and 2 in most batteries. **CLS scores are reported in bold below.**

7th Grade

Reading 88% scored at levels 1 or 2
(State Average - 80% Lakeshore - 91%)
